RESOLUTION NO. ____

CITY OF Elgin, OREGON

WHEREAS: ORS Chapter 459 establishes strict standards and timetables for improvements in solid waste management practices throughout Oregon, and

WHEREAS: The severity of the solid waste management problem in the County of Union requires a cooperative effort to develop an effective solid waste management system for the entire area, and

WHEREAS: ORS Chapter 459 authorizes the City of Elgin to undertake solid waste management planning and to develop and implement a solid waste management system, and

WHEREAS: The County of Union has appointed a solid waste advisory committee and has recommended that solid waste management planning be undertaken without delay;

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Elgin:

THAT the City of Elgin, by virtue of the specific authority granted by law including ORS Chapter 459 hereby agrees to participate with the County of Union, Oregon, the County of Union to be the designated agency for preparing the said plan, and

THAT the participation by the City of Elgin in the preparation of a County-wide comprehensive solid waste management plan will not, by the passage of this resolution, commit it to make any financial contribution other than such as may be made directly to the County of Union by a separate resolution, and

THAT the Mayor (or City Manager) of the City of Elgin is hereby authorized to cooperate with the County of Union and its Solid Waste Advisory Committee and do all things necessary or expedient to implement the purpose and intention of this Resolution.

ADOPTED this 9 day of January 1972.
